

## **Promotion of British Values**

At Speak Like A Native we recognise not only the importance of allowing children in our care to have memorable experiences but we also embrace our wider role in safeguarding their welfare whilst allowing them to grow and flourish throughout their time with us. Part of our role in safeguarding the welfare of the children is to ensure that we promote British values throughout our operation.

The government set out its definition of British values in the 2011 Prevent Strategy and considered them to be democracy, rule of law, individual liberty, mutual respect and tolerance of those of different faiths and beliefs. At Speak Like A Native these values are promoted in a pervasive manner and permeate throughout all of our settings.
